

## **Poster Presentation Guidelines for NMDC 2017**

1. You will be provided with a poster board to mount/display your poster.
2. The maximum permitted dimension for your poster display is the standard A0 size — 1189mm (height) by 841mm (width).
3. Poster **MUST** be in PORTRAIT layout. Your paper/presentation code will be indicated on the board.
4. Please note that the width of the poster board may not be exceeded under any circumstances.
5. Presenters are invited to set up their poster 20 minutes before the start of the scheduled poster session and station yourself near your poster to explain your research work to interested researchers if necessary.
6. Please note that no computer or notebook computer will be provided for Poster Session. Should you wish to give a demo in addition to the poster, you need to bring your own notebook computer or other equipment you need.
